

# Dusty Springfield, I Can't Hear You

(Goffin / King)

Here you are again  
Tellin' me you're sorry, baby  
Tellin' me you want to come a-back home  
Where you belong  
There you go again  
Lying and allibiing  
Singing that same old worn-out song  
Here it comes now, hey  
(I'm sorry, baby)  
I can't hear you no more, no, no, no, no  
(I'm sorry, baby)  
Well, I've heard it all before  
(I'm sorry, baby)  
You ain't reachin' me, no how, no way  
No time 'til doomsday  
Can't hear you no more  
Can't hear you no more

You walked out on me  
Once too often, boy  
And I ain't takin' no more of your jivin'  
That's the truth  
I ain't about to let you  
Run me into the ground  
This girl ain't throwin' away her youth, no how, hey  
I can't hear you no more, no, no, no, no, no  
Well, I've heard it all before  
You ain't a-reachin' me, no how, no way  
No time 'til doomsday  
Can't hear you no more  
Can't hear you no more, oh, no

Just a little bit higher  
Yeah, all right  
Yeah, yeah, all right, now  
You ain't reachin' me, no how, no way  
No time 'til doomsday  
Can't hear you no more  
Can't hear you no more, all right

A-just a little bit louder, yeah  
I can't hear you no more, yeah  
Oh, I can't hear you no more  
I can't hear you no more  
I can't hear you no more, no, no, no  
I can't hear you no more, all right  
I can't hear you no more, no, no, no, no, no  
I can't hear you no more, all right now  
I can't hear you no more, no, no  
I can't hear you no more
