

# Dusty Springfield, I'll Be Faithful

(Ned Albright / Mike Soles / Steve Soles)

I would be your water when your thirsty mouth was dry

I would be your sunshine when clouds are in the sky

I would stand that close beside you

And be your only friend

And I have promised love forever

There will be no end

Ooh, hoo, I'll be faithful

Ooh, hoo, I'll be true, too

Ooh, hoo, I'll be faithful, yes I will now

Ooh, hoo, oh my, true to you

Now I would be your music if you would like a song

I would sleep beside you when the winter's cold and long

I would be the pole to guide you, never would I bend

And I have promised love forever

There will be no end

Ooh, hoo, I'll be faithful, oh, yeah

Ooh, hoo, I'll be true too, mmm

Ooh, hoo, I'll be faithful, oh, yeah

Ooh, hoo, oh my, true to you, ooh, hoo

I have promised love forever

There will be no end

Ooh, hoo, I'll be faithful, oh, yeah

Ooh, hoo, I'll be true, too

Ooh, hoo, I'll be faithful, yes I will

Ooh, hoo, oh my, true to you
