Dusty Springfield, I Only Want To Be With You

I don't know what it is
That makes me love you so
I only know I never wanna let you go
'Cos you started something
Oh, can't you see
That ever since we met
You've had a hold on me
It happens to be true
I only want to be with you

It doesn't matter where you go or what you do I wanna spend each moment of the day with you Oh, look what has happened with just one kiss I never knew that I could be in love like this It's crazy but it's true I only want to be with you

You stopped and smiled at me Asked if I'd care to dance I fell into your open arms And I didn't stand a chance

Now, listen, honey
I just wanna be beside you everywhere
As long as we're together, honey
I don't care
'Cos you started something
Oh, can't you see
That ever since we met
You've had a hold on me
No matter what you do
I only want to be with you

[Instrumental Interlude]

You stopped and smiled at me Asked me if I'd care to dance I feel into your open arms And I didn't stand a chance

Now hear this, honey
I just wanna be beside you everywhere
As long as we're together, honey
I don't care
'Cos you started something
Oh, can't you see
That ever since we met
You've had a hold on me
No matter what you do
I only want to be with you
I said, all I, all I want to do
I only want to be with you
