

# Dusty Springfield, If It Hadn't Been For You

(Verdi / Kaye)

I would be through with love  
Have nothing to do with love  
If it hadn't been for you  
If it hadn't been for you

Love hurt me from the start  
I'd still have a broken heart  
If it hadn't been for you  
If it hadn't been for you

You put your sweet lips on mine  
And I believed in love again  
The world took on a new shine  
And, oh how sad it was then

When love was so cruel to me  
How empty my life would be  
If it hadn't been for you  
And the little things you do  
My whole world would fall through  
If it hadn't been for you

If it hadn't been for you, ooh, ooh  
My whole world would fall through  
If it hadn't been for you  
if it hadn't been for you  
If it hadn't been for you  
If it hadn't been for you  
If it hadn't been for you
