

# Dusty Springfield, Love Power

(Teddy Vann)

When we walk  
Down the street  
We don't care  
Who we see  
Or who we meet

Don't have to run  
Don't have to hide  
'Cause we got something burning inside

We got love power  
It's the greatest power of them all  
We got love power  
And together we can't fall

Sometimes we're up  
Sometimes we're down  
But our feet are always on the ground  
We always laugh  
Don't have to cry  
And this is the reason why

We got love power  
It's the greatest power of them all, hey, hey, hey  
We got love power  
And together we can't fall, hey

Sometimes we're up  
Sometimes we're down  
But our feet are always on the ground  
We always laugh  
Don't have to cry  
And this is the reason why

We got love power  
It's the greatest power in the world  
We got love power  
And together we can't fall

We got love, hey, love power  
It's the greatest feeling of them all, hey, hey, hey  
We got love, oh, power  
And together
