

# Dusty Springfield, No Easy Way Down

(Gerry Goffin / Carole King)

Your toy balloon has sailed  
In the sky, love  
But now it must fall  
To the ground  
Now your sad eyes reveal  
Just how badly you feel  
'Cause there is no easy way down

The view from the cliffs  
Must have been exciting  
And up to the peaks  
You were bound  
Now you're stranded alone  
And the past is unknown  
And there is no easy way down

No it isn't very easy  
When you're left on your own  
No it isn't very easy  
When each road you take  
Is one more mistake  
There's no-one to break your fall  
And lead you back home, yeah

We all like to climb to the heights of love  
Where our fantasy world can be found  
But you must know in the end  
When it's time to descend  
That there is no easy way down

You know you're gonna find  
There is no easy way down
