

# Dusty Springfield, Sweet Ride

(Lee Hazlewood)

Sweet ride  
Give up, you won't survive  
You'll never get out alive  
This world won't let you  
I bet you  
And if it did  
What's it gonna get you?  
What counts is a-how you feel inside

Girls, love's the sweet ride, mmm  
Sweet, sweet, sweet, sweet, sweet, sweet, sweet, sweet, sweet ride

You'd better hang loose  
Don't come undone  
It's better to walk than run  
Each day is just something to glide on  
And each night's made to slip and slide on  
What counts is a-how you feel inside

Girls, love's the sweet ride  
It's such a sweet, sweet ride  
Yeah, sweet, sweet, sweet, sweet, sweet, sweet, sweet, sweet, sweet ride  
Sweet, it's such a sweet, sweet ride, yeah

Hang loose  
Don't come undone  
It's better to walk than run  
Each day is just something to glide on  
And each night's made to slip and a-slide on  
What counts is a-how you feel inside

Girls, love's the sweet ride  
Love's such a sweet, sweet ride  
Mmm, sweet, sweet, sweet, sweet, sweet, sweet, sweet, sweet, sweet, sweet ride  
Sweet, such a sweet, sweet ride  
Yeah, it's such a sweet, sweet ride  
You'd better hang lose  
You'll never survive  
'Cause love is such a sweet, sweet ride  
Sweet, such a sweet, sweet ride  
Sweet
