

# Dusty Springfield, When Love Turns To Blue

(Climie Fisher)

Train whistles blowing  
Whispers your name  
I lie awake crying  
To the midnight rain  
Inside I slowly die  
I read a hundred times  
The letter from you  
Life has no reason  
When love turns to blue

So cold is the night wind  
So dark are the days  
So lonesome the feeling  
Since you've gone away

In every song I hear  
The message is so clear  
They wrote it just for you  
Life has no reason  
When love turns to blue

So, say, say that you'll come back to me  
I'm begging you baby  
I'm tortured here without you  
So say, say you feel the same way I do  
Life has no reason  
When love turns to blue  
Ooh, ooh, oh, oh, oh, oh, oh

In every song I hear  
The message is so clear  
That they wrote it just for you  
Life has no reason  
When love turns to blue

So, say, say that you'll come back to me  
I'm begging you baby  
I'm tortured here without you  
So say, say you feel the same way I do  
Life has no reason  
When love turns to blue

Oh, life has no reason  
When love turns to blue
