

DVSN, If I Get Caught

You wouldn't want me
If you thought I never had hoes
Women like men other women like
That's just something that everyone knows

Don't forget I was a fly nigga when you got here (yeah)
Charismatic when you got here (yeah)
You knew about me when you got here
Now you trippin' girl it's not fair
And you got my phone in your hands
Questions not again
Why do we do this?
When really the truth is

If I get caught cheating
That don't mean I don't love you
(Say it again)
If I get caught cheating (cheating)
That don't mean I don't love you
I know, I know you ain't gonna let
One little fuck (one little fuck)
Mess all this up
Don't let one mistake (one mistake)
take all this away (take all this away)
Don't let one little fuck (don't let one little fuck)
mess all this up
Don't one mistake take all this away

Would you rather be the girl to cry in a Corolla or a foreign?
I don't want to see you cry
I recognize the signs
I can't ignore them
And to tell the truth
It will hurt you more
If you ever find what you're looking for
I ain't perfect
Babygirl I'm worth it
