## Dwight Yoakam, A Promise You Can't Keep

I heard you swear your love this morning And it caught me almost wanting to believe The three little words that serve as warning And say it's just a promise you can't keep

BRIDGE:

A statement that's been so used I felt compelled to tell you But knew there wasn't much to say I could have threatened leavin' Or listed hopeless reasons If I didn't have this need to stay

Three little words should be my warning 'Cause I know that's a promise you can't keep

Three little words should be my warning 'Cause I know that's a promise you can't keep

I heard you swear your love this morning
