

# Dwight Yoakam, Don't Be Sad

CHORUS:

Well don't be sad 'cause you got what you wanted  
You should be glad to know that I'm finally gone  
Don't feel bad or be disappointed  
'Cause you got what you wanted all along

Wasn't it you who said a blinded fool could see the  
Clear plain truth about how deeply cruel it is to  
Live a lie here with each other  
And mourn a love that won't recover  
As I recall those were the very words I heard you use

CHORUS:

Well don't be sad 'cause you got what you wanted  
You should be glad to know that I'm finally gone  
Don't feel bad or be disappointed  
'Cause you got what you wanted all along:

And wasn't it me who asked so stupidly if there were  
Things that I could maybe do or try to somehow  
Hold what fell apart together  
But you just coldly told me never  
To even entertain the thought that our love would survive

CHORUS:

Well don't be sad 'cause you got what you wanted  
You should be glad to know that I'm finally gone  
Don't feel bad or be disappointed  
'Cause you got what you wanted all along

Yes you got what you wanted all along...
