

# Dwight Yoakam, Here Comes The Night

I can see right out my window  
Walking down the street  
My girl, with another guy  
His arms around her  
Like it used to be with me  
Hey man, it makes me want to die  
Yeah yeah yeah

Chorus:  
Here comes  
Here comes the night  
Here comes the night  
Whoa whoa whoa yeah

There they go  
It's funny how they look so good together  
Wonder what is wrong with me

Why can't I accept the fact  
She's chosen him  
And simply let them be  
Whoa whoa whoa

Chorus:  
Here comes  
Here comes the night  
Here comes the night  
Whoa whoa whoa yeah

Instrumental

She's with him he's turning down the lights  
And now he's holding her the way I used to do  
I can see her closing her eyes  
And telling him lies exactly like she told me too  
Whoa whoa whoa

Chorus:  
Here comes  
Here comes the night  
Here comes the night  
Whoa whoa whoa yeah

Here comes  
Here comes the night  
Here comes  
Here comes the night  
Here comes  
Here comes the night  
Here comes  
Here comes the night...
