

# Dwight Yoakam, I'd Avoid Me Too

Here I sit all alone  
Just a wonderin' why  
You must have slipped out  
While I was high  
I know just how it feels  
And I'm not blamin' you  
Cause if I had to choice  
I'd avoid me too

I've heard tell people say  
I'm half worth nothin' at all  
While that may not be true  
Dead to rights  
It sure ain't landin' far wrong

There's little question or none  
Wasn't much you could do  
And if I had the choice  
I'd avoid me too  
Now I'm having fears  
And doubts  
Right along with everyone else  
And here lately I'm not so sure  
I should even be seen  
With myself

[But] here I sit all alone  
Just a wonderin' why  
I guess you slipped out  
While I was high  
I know just how it feels  
And I'm not blamin' you  
Cause if I had the choice  
I'd avoid me too

If I had the choice  
If I had the choice  
If I had the choice,  
I'd avoid me too
