Dwight Yoakam, Some Dark Holler

Some Dark Holler

I'd rather be in some dark holler

Where the sun don't never shine

Than to be here alone knowing you're gone

While I slowly lose my mind

So blow your whistle freight train

Take me farther on down the track

I'm going away, I'm leaving today

I'm going and I ain't coming back

I'd rather be in some dark holler

Where the sun don't never shine

Than to be in some big city

In a small room with your love on my mind

So blow your whistle freight train

Take me farther on down the track

I'm going away, I'm leaving today

I'm going and I ain't coming back

I'd rather be in some dark holler

Where the sun don't never shine

Than to be here alone knowing you're gone

As I slowly lose my mind

So blow your whistle freight train

Take me farther on down the track

I'm going away, I'm leaving today

I'm going and I ain't coming back

I'm going and I ain't coming back Yes, I'm going and I ain't coming back
