

# Dwight Yoakam, Things Change

She said "baby things change".  
I said "But I feel the same"  
She said "well let me explain, baby how things can change"  
I said "but that doesn't show, how a love that could grow,  
would become so estranged"  
She said "well baby things change"

She said "Na na na na na na, now baby dont try,  
To figure this out or ask questions 'bout why  
Forever's a promise no love can survive,  
And trust with hearts, just don't apply"  
She said "Cause baby things change"

Na na na na na na, so baby I quit tryin,  
To figure things out about all your hearts lyin'.  
Forever's a promise we couldn't survive,  
Yeah, I may be slow, but I ain't blind

She said "I still love you so"  
I said "I don't care to know"  
She said "You once cried my name"  
I said "Well baby things change  
Let's don't go placin' no blame,  
Cause you know things can change"

na na na na na na, na na na na na na  
She said "You once cried my name"  
I said "Well baby things change"  
na na na na na na, na na na na na na  
Let's don't go placin' no blame,  
Cause you know things can change"  
na na na na na na, na na na na na na
