

# Dwight Yoakam, Twenty Years

Hey look yonder, Henry, comes the sherrif  
And he's carrying a warrant in his hand  
Don't you run, poor old Henry, for he'll shoot you  
Lord, Lord  
Not long will you be a free man

Chorus:  
Now twenty years you must spend behind steel bars  
For a crime that you did not do  
Yeah the lie she swore in that district court  
Has proved to be the ruin of you

Tried to warn you, Henry, not to cross her  
Tried to tell you about her vengeful ways  
When you turned and left her for another  
She swore, Henry, that she'd make you pay

Chorus:  
Now twenty years you must spend behind steel bars  
For a crime that you did not do  
Yeah, the lie she swore in that district court  
Has proved to be the ruin of you

--- Instrumental ---

Listen well, all you young rounders  
Heed the lesson poor old Henry never learned  
That even hell with all its fiery power  
Hath no fury like a woman's scorned

Chorus:  
Now twenty years you must spend behind steel bars  
For a crime that you did not do  
Yeah, the lie she swore in that district court  
Has proved to be the ruin of you

Yeah, the lie she swore in that district court  
Has proved to be the ruin of you...
