

# Dying Tears, Never Alive

Nothingness is my realm  
Loneliness is my law  
I've never had any dream  
I've never had any soul

My Poisonous serenity  
Has Blackened my poor Scenery  
My reflect is a stone  
And I am just no one

Birds will never sing for me  
Silence is my one company  
Nobody remember my name  
My cold heart is a frozen flame

Merciless time has forgotten me  
I can see nothing, I can't be  
Light hates me, I never shine  
I will never be alive

Don't look for me I am nowhere  
Don't talk to me I don't care  
I can't feel your sadness  
Can't realize your distress

Your insane reality  
Does really mean nothing for me  
I don't have any fate  
I have no regrets
