

Dying Wish, Somewhere In The Deep

The magic has gone
Everything's like chaos
The voice is strange
The touch's cold.
The night is colourful
Every sound of it makes me shudder
Attack me from the darkness
Breathes its frosty breath to me.

Somewhere in the deep -
You'll find me if you need me
You see, I needn't fear
The natural beauty casts a spell upon me
Somewhere in the deep -
From below everything's cleaner.
Don't disturb my dream -
I'm defendin' the secret of the world.

You can see a dream
Shades in the fire
Shade of a raven
As I returned.
My body belongs to the decay
Someone above is watchin' me
The sky's silent and feels blue
The wind dries it's tears.
