

Dynamite Boy, Careless

There's nothin' left to believe in
There's nothin' left for me to say
There's no words to explain this
No words to say just how I feel
I never want to be alone
How long will it take my heart to heal?

[Chorus:] You want it, you got it
Now what are ya' gonna do with it?
You took it, you need it
And now I just don't believe it!

There's nothin' left to detain you
There's nothin' left to bring you down
There's no way I can hate you
No way to show you how I feel
Are you satisfied with what you've done?
How long will it take my heart to heal?
