

Dynamite Boy, Hard Times

Why are you forever blue?
The perfect girl with a heart so true
Look at me, I'm so desperatley
Crying out for your company

This doesn't happen every day
Please don't leave me hear this way
I can't deny this feeling's true
I fell in love with you

You want it all - and I want you everyday
You want it all - but I don't know what to say
You want it all - my heart is black and blue
You want it all - but I'll give it all to you

Locked in place in a tight embrace
I'd give my soul but it's too damn late
I look at you and all the things you do
And hope and pray that I will be with you
