

Dynamite Hack, Anyway

you gotta be kidding me
i'm through with you girl anyway
i'll wait for you i always do
it's dumb but i want to anyway

** so here we are stuck in hell
same old game we know it well
i don't mind...anyway
spark it up and numb me on and off again
oh what the hell
i don't mind...anyway

been sittin' here have another beer
i'm drunk but i want some anyway
i just don't care enough about you
so f**k you anyway

** so here we are stuck in hell
same old game we know it well
i don't mind...anyway

spark it up and numb me on and off again
oh what the hell
i don't mind...anyway

you gotta be kidding me
i'm through with you girl anyway
too numb to know that i'm happy
without you i'm better off anyway

i just don't care enough about this to make the effort to show you
that i care enough to try to get you back in bed with me

** so here we are stuck in hell
same old game we know it well
i don't mind...anyway
spark it up and numb me on and off again
oh what the hell
i don't mind...anyway
