

# Dynamite Hack, Anyways

you gotta be, kidding me.  
i'm through with you girl anyway.  
i'll wait for you, i always do,  
it's dumb but i want to, anyway.

so here we are stuck in hell,  
same old game we know it well  
i don't mind...  
anyway  
spark it up and numb me on and off again,  
what the hell, i don't mind..  
anyway

been sittin here, have another beer.  
i'm drunk but i want some anyway.  
i just don't care enough about you,  
so fuck you anyway.

so here we are, stuck in hell,  
same old game we know it well,  
i don't mind...anyway  
spark it up and numb me on and off again  
what the hell, i don't mind  
anyway...

you gotta be, kidding me.  
i'm through with you girl anyway.  
too numb to know, that i'm happy  
without you, i'm better off anyway.  
i just don't care enough about this to make the effort  
to show you that i care enough  
to try to get you back in bed with me!

repeat chorus
