

# Dynamite Hack, You Know

you are so pretty here  
that I'm falling behind  
oh no not again nevermind  
let's go and beg for time  
you the picked the wrong disaster  
I can't stop this thing from going fast  
I don't want to walk about the past  
I don't want to talk that road of those  
you may have had

you know  
these things they happen

which one do you want  
there is no need to think  
to speak to breathe  
let's go it's chemical green  
you picked the wrong addiction
