

Dynoro & Gigi D`Agostino, In My Mind

In my mind, in my head
This is where we all came from
The dreams we have, the love we share

This is what we're waiting for

In my mind, in my head
This is where we all came from
The dreams we have, the love we share
This is what we're waiting for

In my mind, in my head
That is where...
We all from...
In my mind, in my head
That is where...
We all from...

In my mind, in my head
This is where we all came from
The dreams we have, the love we share
This is what we're waiting for

In my mind, in my head
That is where...
We all from...
In my mind, in my head
That is where...
We all from...

In my mind, in my head
This is where we all came from.
The dreams we have, the love we share
This is what we're waiting for

In my mind, in my head
This is where we all came from
The dreams we have, the love we share
This is what we're waiting for

In my mind, in my head
That is where...
We all from...
In my mind, in my head
That is where...
We all from...

In my mind, in my head
This is where we all came from
The dreams we have, the love we share
This is what we're waiting for

In my mind, in my head
That is where...
We all from...
In my mind, in my head
That is where...
We all from...

In my mind, in my head
That is where...
We all from...
In my mind, in my head

That is where...
We all from...
