

# E-40, Jump My Bone

(Voicebox: Wow wow wow wow ooh jump my bone)

Chorus:

I hope we can all get alone tonight

I'm tryin' to take me somethin' home tonight

Lay on my back talk on my phone and get my head lay on

Then after that she gon' jump my bone (2x)

Gets tweeded up in the club niggas in the parking lot

? ? paper bitches from different cities

And I'm tryin' to stick my ding a ling

between one of these super badass bitches

&quot;Say ho, oh, you don't want me to talk to you like that?&quot;

She say, &quot;Oh I got your whole precise nigga, I don't even listen to rap&quot;

I said, &quot;How you know a motherfucker rap?&quot; She say, &quot;Ain't you 40-water?

I read an article on you while I was up under the dryin' net magazine double XL&quot; (XXL)

I heard that, okay what's crackaleezie what's the heezie deezie?

Why you try to act like you was God's gift to the world a few minutes of heezie leezie?

All my dentures gathered around to take a look

at this bankded beauty Dolly Parton gluteus maximus

Ass big enough to fit a cup on her booty (booty),

straight Centerfold Suzette

I'm in the mix (I'm in the mix) check it out

I'm in the mix like a blender

Stay right down the street from Paul from the Diamond Center

I used to cut grass for a livin'

But now I count cash for a livin' (beotch, BEOTCH!)

Chorus:

Now, there was a cool little old fuck

Smoked a little broccelius then we stopped by the burrito truck

Stuck, man this shit here's crazy

I'm in a Ford, Fix Or Repair Daily

Old school antique lifters tickin'

with a gas leak radiator off the heater reads

I'm in a desperate need of some antifreeze

Shit, shit, shit, shit, shit, shit what the fuck's wrong with this car?

Shit, shit, shit, shit I should've drove my Northstar

Dependable, new school get you where you need to be when you need to be

Enemies aimin' at me with they darts

While I'm footin' it, walkin' to Kragens Auto Parts

Chorus:

A week later, everything was fo' sho'

My album was about to drop so I went on a promotional to'

Bus driver why you cruisin' dude? Where we headed?

Houston Texas, one mo' mile, two mo' exits

Ordered a 3 minimum and I see checkin' in at the Doubletree

What are you talkin' about, dudes who? 8-ball and MJD

Ball with the hoes

All the hoes be in Papi O's

Later on that day

Say you know a motherfucker can't come to Houston without visitin' Little J

The Scarfaces, The Drapers and The Greens

The Northsides and Club Boomerangs and BEOTCH!

Chorus:
