

E-40, Keep Pimpin'

[D-Shot]

Ay 40 mayne

I seen one of yo' hoes last night mayne, she was just uhh.. (mm-hmm)
she was tryin to give that ass away for free mayne!

Whatchu gon' do? (Aight, I'ma tell you like this)

[E-40]

It's like dis

Just point out the target and I'll bet some cash I can't miss

This nigga done started cause I got some ass from his bitch

More broken than hearted, fool on the HILL over this

but I'm just as retarded, I act a FOOL UP IN THIS BITCH

The reason why she departed, cause she was tired of gettin dissed

Dotted and darted all in her eyes like this

But that ain't my business, I keep my game universal

and leave that ol' (??) around shit up to them squares like Urkel

It's too many lobsters up in the ocean, big pimps

but not enough mobsters breakin them in, big pimps

Tellin 40 done taught us how to beginnnnnn

Pull a bitch off the streets and real her innnnnnn

to my sable, but e'rybody ain't able

Now she's a call girl, dancin on the table

Sound like somethin Icerberg Slim woulda said (tell me)

The bigger the pimp (the bigger) the longer the bread (the longer)

Chorus: Eboni Foster, (E-40)

Keep pimpin (40-Water) keep pimpin..

Keep pimpin, keep pimpin (the bigger the pimp, the longer the bread)

Keep pimpin (40-Water) keep pimpin (yes your honor)

Keep pimpin, keep pimpin (the bigger the pimp, the longer the bread)

[E-40]

She looked at her reflection in the mirror (in the mirror)

Told herself,

[Eboni Foster]

"From this day here ain't NAR a nigga pumpin fear

Took all I can, but I can't take no mo', enough

Yesternight I got my ass slapped up kinda tough

Got me lookin like a rainbow (a rainbow)

Black eyes, aches and pains, bruises purple and yellow

But I forgive and forget cause it's all gravy (that's right)

I used to fuck for free but now I'm gettin money lately"

[E-40]

Big-ass dookie mayne, big-ass breasts

but the bitch got more miles on her, than Southwest

You can HAVE that hoe mayne, but nigga please

is that any kind of broad you want to make yo' main squeeze?

The mental, be timin and thinkin hairy

All kind of cracks and crevice

Makin cranny, man the bitch don't even wear no panties

Sound like somethin Dolemite woulda said

The bigger the pimpin, the longer the bread, beotch!

Chorus

[E-40]

I take seven switch-a-bitches put 'em in a line

Put 'em on the hoe stroll and make 'em work for mine

Take a mud duck, turn her into gold

Make her sell her ass up in the North Pole

From Lebanon, to Yugoslavia

From Petersberg, to Nova Scot-ia

I got niggaz in 'Sace suits, trickin big

Timers in 'gator boots, givin in

Justice, corporate executives

Athletes, cause they respect a bitch

Man you'd be surprised how many niggaz love to pay for pussy

Niggaz cheat on they wives and jack up all they fuckin money man

I be givin my hoes, bonuses and benefits

Boat cruises and Kamal outfits
Latex to keep their health a good
Checkups at Planned Parenthood (that's it)
Best run witcha pimp, yes your honor
Practice your profession keep your head above water
Sound like somethin Felix Mitchell woulda said
The bigger the pimpin, the longer the bread, BEOTCH!
Chorus
[E-40]
BEOTCH!
C'mon
[Eboni Foster]
Do do dooo, do do dooo
Do do dooo do, do do dooo (pimp)
Anything (that's right) that you want me to (BEOTCH)
Anything, that you want me to do
(The bigger the pimp, the longer the bread)
Anything yeah, that you want me to..
I'll do it {*fades out*}
