

# E-40, Like A Jungle

Hand me one of them thangs killed John Wayne  
D.E.A. back in this bitch, hmm-hmm, va-room  
[E-40]

Hah hah hah hah, fuck around with this nigga Bosko  
He stay mobbin..

Shall we spit some saliva? Spit some saliva

In and out of the traffic

Sparkin up a bunch of commotion and static it's a habit

Bloated twasted loaded tilted when I roll it

Like the steering wheel on my Deville when I first drove it

Who the caviest and the savviest (?) strikin like a pack of matches

Blood alcohol, lookin like above average

Money tall player, papered up, ghettofabulous

You can ball too pimpin just be about your cabbage

I don't need no iron I'm already creased

Pistol-whip a bitch with my mouthpiece, paid for hoe

On my car, fuckin lease

Strikin through your neighborhood, disturbin peace

Boogie green Cutlass with the gold feets

Same colored tint with the bucket seats, beatch!

All my wife I was raised around killers

Boy I tell ya - these monkeys don't wanna see no gorillas

[Chorus One]

IT'S LIKE A JUNGLE - it's like a jungle sometimes

IT'S LIKE A JUNGLE - it's like a jungle sometimes

IT'S LIKE A JUNGLE -

You know a sea serpent snake in the grass can post up lies

IT'S LIKE A JUNGLE - it's like a jungle sometimes

IT'S LIKE A JUNGLE - it's like a jungle sometimes

IT'S LIKE A JUNGLE -

We play for keeps, so nigga if you feel froggish LEAP!

Leap nigga! Beotch!

[Young Mugzi]

Chest splitter, game spitter, go getter

I stay busy like Mighty Joe, the go-rilla

One hitter quitters if you're it, bump my feet nigga

I hit the turf, knockin off wall pictures

Nowadays niggaz can get arrested for reckless dressin, attempt to pimp

But they don't know a broke horse

and don't know how money makes a pimp pimp

See I'm like a pimp, I got to be about means

Twinkied out, with a car full of TV screens

I mean I'm mean, I boss up for the green

Hit the scene, and check my runners bout my cream

One-eighteen, haters wanna cross my dream

Handicap me, shoot me in the spleen

[Chorus Two]

IT'S LIKE A JUNGLE - it's like a jungle sometimes

IT'S LIKE A JUNGLE - it's like a jungle sometimes

IT'S LIKE A JUNGLE -

If you see me in a fight in the forest with a bear

don't help me nigga help the bear.. don't help me nigga help the bear!

IT'S LIKE A JUNGLE - it's like a jungle sometimes

IT'S LIKE A JUNGLE - it's like a jungle sometimes

IT'S LIKE A JUNGLE -

Boy I tell ya, these monkeys don't wanna see no gorillas

See no gorillas

[E-40]

Man potnah you ain't from 'round here, you ain't got no pass

Oh you with 40-Water, we can go 'head and let you go

but next time, it's yo' ass

Lick you for yo' cash, get you for what you got

Cause triflin on this side of the soil

that's all we do is plot

Seen it, lived it, did it, been in it, done it  
Cooked it, shucked it, sold it, couple hundred  
units a month, dirty white girl  
Baby powder, China white, step-mother pearl  
I'm out of weed, I'm losin my focus (focus)  
Ash tray full of doobies and roaches (roaches)  
In the parking lot rollin a blunt (blunt)  
in the middle of some funk  
Dudes got to dumpin bitches, haulin ass (ass)  
Takin off they pumps, fallin in the grass (grass)  
Cowards flyin everywhere, fools gettin glassed  
while I'm sittin in my Cut' thang, tryin to play  
They fuckin up my shit  
[Chorus One]  
[Outro - sung]  
Be about your paper bro, don't hate on mine  
It's like a jungle sometimes..  
Gorilla pimpin ain't easy, but I'm steady on the grind  
It's like a jungle sometimes, yeah yeah yeah yeah,
