

E-40, Show & Prove

[E-40]

Uhh...

[Chorus: Goapele]

What'chu wanna say, what'chu wanna do

Now that you're, comfortable, time to show and prove

Show and prove - on just how, you spend, your day

Show and prove

[E-40]

Uhh, "Heavens to Merkatroid!"

We go back like the video game Asteroids

You knew me when me and my boys was D-boys, runnin from the Elroys

Flamboastin and sidin and slidin candy toys

I was doin my time

Name ringin like a, tambo-rine

You used to see me strikin down the boulevard

Wonderin what it take to get off in my car

Well I thought about it, and I sat back and told myself

And I said to myself, "Hold on playa she's a sharp-ass broad!"

Sharp - cleaner than a can of Lysol

Raw, tightest thing I ever saw

[Chorus]

[E-40]

Uhh, you make my life complete; you got my back like a car seat

You don't need no makeup ma, you look good when you sleep

You never threw in the towel when your boy was out of order

When I got popped with that yola, financial disorder

Marbles at a standstill, barely payin the light bill

But you stuck with a player, cause you f'real f'real

Without a motherfuckin question

Cause see me without you, is like salad without dressing

I recognize my blessings - you gotta understand

I can - look through muddy water, I can - see dry land

I can tell tall timber, from tiny brush

Promise to claim my child, if the rubber bust

[Goapele]

It's a beautiful thing when you, play right

and you find the same one besides

When you feel the same feeling that you felt so many years ago

With you I'll spend the rest of my life

Don't ever forget just cause you die

Once you die we can never go away

I'll put in work, cause I know our love is worth it

That's how I wanna spend my days

[Goapele] + (E-40)

Cause your loving is ..truuuuue

(The way I talk you know it's) ..truuuuue

(The way I walk you know it's) ..truuuuue

(Me and you we so) ..truuuuue

[Chorus] - 2X w/ ad libs
