

E.L.O, Evil Woman

You made a fool of me, but them broken dreams have got to end.
Hey woman, you got the blues, cos you aint got no one else to use,
Theres an open road that leads nowhere, so just make some miles
between here and there.

Theres a hole in my head where the rain comes in,
You took my body and played to win,
Ha Ha woman its a cryin shame,
But you aint got nobody else to blame.

Chorus:

Evil Woman, Evil Woman, Evil Woman, Evil Woman
Rolled in from another town,
Hit some gold too hot to settle down,
But a fool and his money soon go separate ways,
And you found a fool lyin in a daze,
Ha Ha woman what you gonna do,
You destroyed all the virtues that the Lord gave you,
Its so good that youre feeling pain
But you better get your face on board the very next train.

Chorus

Evil woman how you done me wrong,
But now youre tryin to wail a different song,
Ha Ha funny how you broke me up, you made the wine now you drink a cup,
I came runnin every time you cried,
Thought I saw love smilin in your eyes,
Ha Ha very nice to know, that you aint got no place left to go.

Chorus
