

E-Type, True Believer

I am here and now because of you
you're the reason I do what I do
like a phantom when you call me I'll be there
any time that I'm around you shouldn't fear

because of you
that's what I do
because of you
I'm a true believer

I'm a true believer
I'm with you through the night
You're my inspiration in life
I'm a true believer
so don't give up the fight
You're my inspiration in life

I'm a true believer

gimme gimme everything you got

you and I can take it to the top
like superheroes we can save the day
let the music take us somewhere far away

because of you (because of you)
that's what I do (what I do)
come on come on
because of you
I'm a true believer

chorus

I'm a true believer
I'm with you through the night
You're my inspiration in life

chorus (repeat x2)

I'm a true believer
