

E-Type, You Will Always Be A Part Of Me

My mind keeps drifting back to things we said this morning
Now I'm sitting here alone, watching the world pass me by
Every time we part I fell like I'm falling
No matter what you think I still love you
You will always be a part of me, no matter what we do
You will always hold a piece of me wherever I may go
Always....

The sky gets darker and I sense that you are far and away
I miss the times we had when things were going our way
But every time we part you know how much it hurts me
No matter what you think I still love you.
You will always be a part of me, no matter what we do
You will always hold a piece of me, wherever I may go
Always....
