

# Eagle-Eye Cherry, Indecision

Well I found my inspiration there  
In silent whispers it just came to me so clear  
Simple question of what was I doing there  
Hesitation  
When I'm standing with my prey  
Indecision  
Of if I should blow him away  
It's kind of strange  
What happened from that moment on  
What more can I say than the reason he was gone  
What they were asking was more than I could bear  
Execution  
What more can.... can I say  
The realisation  
Of blowing a brother away  
Something in me was gone  
Something in me was gone  
Hesitation  
When I'm standing with my prey  
Indecision  
Of if I should blow him away  
Simple question of what was I doing there  
Execution  
It was not a part of me  
The realisation  
Of how things are going to be  
In my commitment to staying away from guilt  
I feel no emotion for those I have gone and killed  
Heartless devotion to saving the rest of me...  
I take my gun and give it to my prey  
I turn my back to him and start to walk away  
All I want is for someone to stop me there  
Don't want redemption  
Don't want salvation..... (repeat)  
In my commitment to staying away from guilt  
I feel no emotion for those I have gone and killed  
Heartless devotion to saving the rest of me
