

# Eagle-Eye Cherry, Miss Fortune

She is my miss fortune  
and all the trouble we had  
Whenever she is around me  
I do something bad  
Trouble is her lover  
and trouble is her friend  
Whenever I am around her  
I commit a sin  
Trouble is her love  
Trouble-love  
Trouble is her love  
When I'm with my miss fortune  
once again I'm the fool  
I'm going to lost my composier  
going to lost my cool  
Should I let her decieve me  
should I let her in  
Once again she will tease me  
once again I'll sin  
Trouble is her love  
Trouble-love  
Dabba-laaha  
Trouble is her lover  
trouble is her friend  
Trouble is her lover  
trouble is her sin  
Now, Mum and Dad, they always told me:  
"Don't play with that girl"  
Little bit they know that she can  
show me the world  
All those things, I was not to do  
The one thing I know is that  
my love is true  
Trouble is her lover  
trouble is her friend, oh-yeah  
Trouble is her lover  
trouble is her sin  
Trouble is our love  
Yeeah
