

# Eagle-Eye Cherry, When Mermaids Cry

She was drowned in suicide  
Faithless lover cast aside  
This is how she came to be  
Lorelei of the sea  
Hopes destroyed, she wanted to find  
Certain death peace of mind  
Now you wonder who is she  
Lorelei of the sea  
Many tales I've been told of sailors having died  
After seeing a mermaid known  
As Lorelei  
Faithless lover that is me  
And she siren of the sea  
So next time that the seagulls fly  
Don't you cry sweet Lorelei

CHORUS:  
Seagulls fly  
When mermaids cry  
Those tears won't dry  
For Lorelei

The guilt is mine I was untrue  
The question is what am I to do  
All I know is I got to try  
Try to find sweet Lorelei  
Make amends for what's been done  
'Cause I believe that she's the one  
And I will go where seagulls fly  
Try to find sweet Lorelei

CHORUS

There she is I hear her cry  
She's asking me if I will die  
There ain't nothing I won't do  
For you Lorelei

CHORUS
