

Eagles Of Death Metal, Bag O' Miracles

Oh yes I got me some trouble lord because I changed one womans name,
oh yes I feel so sad and lonesome,
words will dress me up all up in shame,
just like the good lord walk the wall so long ago on the sea of gallilee,
suddenly a big ol' Bag O' miracles come and lift that woman right off of me.

[Spoken] Amen

Song:

Oh yes I got me some trouble lord because I changed one womans name,
oh yes I feel so sad and lonesome,
words will dress me up all up in shame,
just like the good lord Jesus walk the wall so long ago on the sea of gallilee,
suddenly a big ol' Bag O' miracles come and lift that woman right off of me.
