Eagles Of Death Metal, I Love You All the Time

I love you all the time

I'm never alone, I look at my phone If I call you up, you're never at home

I love you all the time

I'm fueled up and high, I'm out with the guys A smile on my face, no reason to cry

I love you all the time

I can tell by that look in your eye You're looking and all you see is another guy I can tell you're gonna take your love away

I can tell by that look in your eye You're looking and all you see is another guy I would beg you if I thought it would make you stay

I love you all the time

I can tell by that look in your eye You're looking and all you see is another guy I can tell you're gonna take your love away

I can tell by that look in your eye You're looking and all you see is another guy I would beg if I thought it would make you stay /3x
