Whoa oh oh

(Verse 1:)

See, I dont know why I liked you so much
I gave you all, of my trust
I told you, I loved you, now thats all down the drain
Ya put me through pain, I wanna let u know how I feel

(Chorus:)

F**k what I said it dont mean shit now
F**k the presents might as well throw em out
F**k all those kisses, they didn't mean jack
F**k you, you hoe, I dont want you back

F**k what I said it dont mean shit now
F**k the presents might as well throw em out
F**k all those kisses they didn't mean jack
F**k you, you hoe, I dont want you back

Oh oh

(You know there is two sides to every story)

See I don't know why you cryin' like a bitch
Talkin' shit like a snitch
Why you write a song 'bout me
If you really didn't care
You wouldn't wanna share
Tellin' everybody just how you feel

F**k what I did was your fault somehow
F**k the presents, I threw all that shit out
F**k all the cryin' it didn't mean jack
Well guess what yo, f**k you right back

F**k what I did was your fault somehow
F**k the presents, I threw all that shit out
F**k all the cryin' it didn't mean jack
F**k you,you hoe, f**k you right back.

(Verse 2:)

You thought, you could
Keep this shit from me, yeah
Ya burnt bitch, I heard the story
Ya played me, ya even gave him head
Now ya askin for me back
Ya just another act, look elsewhere
Cuz ya done with me

F**k what I said it dont mean shit now
F**k the presents might as well throw em out
F**k all those kisses they didn't mean jack

F**k you, you hoe, I dont want you back

F**k what I said it dont mean shit now
F**k the presents might as well throw em out
F**k all those kisses they didn't mean jack
F**k you, you hoe, f**k you right back!.

Now you want me to come back
You must be smokin' crack
Im goin' else where and thats a fact

You questioned did I care
Maybe I would have if you woulda gone down there
Now it's over
But I do admit i'm glad I didn't catch your crabs
I can't sweat that cause I got to go

F**k what I did was your fault somehow
F**k the presents, I threw all that shit out
