

# Eamonn Toal, Millenium Of Love ( Eurovision 2000 )

Bitterness cant feed the hungry  
Hate just leaves us cold  
Its time to change it.  
I lit a candle in a dream, I thought I heard  
Liberated voices crying freedom  
Open hearts, open doors in truth and honesty  
Let wisdom be the guiding light.  
Celebrate the new millennium of love  
Where our footprints leave a harvest for the children  
Somewhere on our journey lies a world beyond compare  
I believe we all have the answer.  
A cloud can hide a mountain, a face can hide the pain  
Search until you find the answer  
There is no reason who can understand  
Mans inhumanity to man.  
Celebrate the new millennium of love  
Where our footprints leave a harvest for the children  
Somewhere on our journey lies a world beyond compare  
I believe, I believe, I believe, I believe in you.  
Celebrate the new millennium of love  
Let our footprints leave a harvest for the children  
Somewhere on our journey lies a w
