

# Earl Thomas Conley, I Can't Win For Losin' You

(Robert Byrne/Rick Bowles)

Hey, how've you been? Good to see you again  
Gee, it's been a long time  
How's that new man, Mom & Dad  
Since I told you goodbye?  
Now I'm still the same, still raisin' Cain  
Nobody's worried 'bout me  
I come & I go, just as I please  
Since I set myself free

CHORUS:

But I can't win for losin' you  
I just can't get over you  
Bein' footloose & fancy free  
Ain't all it's cracked up to be  
& the grass ain't no greener  
Here on the other side  
I might win a heart or 2  
But I can't win for losin' you

Well I'm on my way, there's so much to say  
Lord knows that I've had my time  
Girl, you can bet I'll never forget  
When you used to be mine

(repeat chorus & fade)
