

# Earl Thomas Conley, What I'd Say

Talkin to the mirror  
whisperin your name  
just like you were here, youd think I was insane  
I hold these conversations in the silence of my room  
rehearsing all the things id say should I run into you

hows it going might be what id say  
you broke my heart you know  
or it looks like rain today  
or maybe god I missed you since you went away  
your lookin well  
or go to hell might be what id say

theres times I feel so angry id put my fist right through the wall  
then theres times ive come so close to giving you a call  
I love you and I hate you all at the same time  
I pray that you'll come back to me before I lose my mind

hows it going might be what id say  
you broke my heart you know  
or it looks like rain today  
or maybe god I missed you since you went away  
your lookin well  
or go to hell might be what id say

Guess you'll have to wait until that day  
to find out what i'd say

God I missed you since you went away  
your looking well  
or go to hell  
might be what id say
