

Earth, Can't Hide Love

CAN'T HIDE LOVE

Earth, Wind & Fire
Skip Scarborough

You want my love and you can't deny
you know it's true, but you try to hide, yeah
You turn down love like it's really bad, ow
You can't give what you never had, yeah
Well bless your soul, you can fool a few, ha ha
Ah, I know the truth now so do you, how how

(You can't hide, I betcha, hoo,)
Betcha
(Betcha)
Cant hide love, cant hide love, well I betcha
(girl, I betcha)
I cant hide, yeah
(feel inside)

You can't pretend there's nothing there
Girl, I look in your eyes, I see you care
So why not stop trying to run and hide
You won't find out, if you never try,

(You want my love, I betcha,)
Ooooo, yeah, whoa oh whoa
(Hoo, Betcha)

You want my love, well I betcha
(girl, I betcha)
Whoa oh whoa, Ive a feeling inside
(feel inside)

Love has found the time for kissing, yeah
can you find the time to listen
Lifes found the time to want you, yeah
can you find the time for blissing, yeah, how, how.

Ah (several verses in harmony)
{fade}
