

Earth Harmony, Needs Title

over and over I look in your eyes

over and over I look in your heart

I'll be there

I'll be there

I'll be there

over and over I look in your eyes

over and over I look in your heart

I'll be there

I'll be there

I'll be there

over and over I look in your eyes

over and over I look in your heart

I'll be there

over and over I look in your eyes

over and over I look in your heart

I'll be there
