

# Earth, Wind And Fire, I'll Write A Song For You

Al McKay, Philip Bailey & Steve Beckmeier

I thirst but never quench  
I know the consequence, feeling as I do  
We're in a spinning top  
where, tell me, will it stop  
and what am I to say  
Open our music book, that only few can look  
and I'll write a song for you

Love is a symphony, hearts in one melody  
'Cause I write a song for you  
Sounds never dissipate, they only recreate  
in another place  
There in your silent night  
joy of a song's delight  
I write a song for you  
You write a song for me  
We write a song for love

My magical mystique, finding it all complete  
in a lovely face, feeling we try to chase  
memories that won't erase, stay forever new  
We have a magic box in which is never locked
