

# Earth, Wind And Fire, Keep Your Head To The Sky

Master told me one day  
I'd find peace in every way,  
but in search for the clue  
wrong things I was bound to do

Keep my head to the sky  
for the clouds to tell me why  
As I grew with strenght  
Master kept me as I repent

Keep your head to the sky  
Keep your head to the sky

Gave me the will to be free  
purpose to live is reality  
Found myself never alone  
changes come to make me strong

Step right up, be a man  
You need faith to understand  
so we're saying for you to hear  
Keep your head in faith's atmosphere...

Keep your head to the sky  
Keep your head to the sky
