

Earth, Wind And Fire, Love Is Life

Maurice White, Donald Whitehead & Wade Flemons

Have you ever seen a flower
Tryin' to bloom in a dry barren land
But then comes a sweet spring shower
Just to lend a helpin' hand
Like the love of you and I
All at once it came alive
You brought love
And your love is life
Did you ever watch a mother
And how tender she treats a child
And the birds in the treetops
How they protect their young from the wild
And girl your love
It comforts me
And that's my security

*You brought love
And your love is life

(*Repeat)

This is the song of love
Let everyone sing along
Let everyone sing along
Give it all from the heart
Don't wait, don't wait 'til tomorrow
