

# Earth, Wind And Fire, Love's Holiday

(Maurice White/Skip Scarborough)

Would you mind if I touched  
If I kiss, if I held you tight  
In the morning light

Would you mind  
If I said how I felt  
Tenderly tonight

Again cause  
I never, ever felt this way  
In my heart before  
Love has found its way  
In my heart tonight, yeah

Would you mind  
If I looked in your eyes  
Till I'm hypnotized  
And I lose my pride, yeah

Would you mind  
If I make love to you  
Till I'm satisfied

Once again cause  
I never ever felt, felt this way  
In my heart before  
Love has found its way  
In my heart tonight

Once again cause  
I never ever felt, felt this way  
In my heart before  
Love has found its way  
In my heart tonight

Ooh, love, would you mind  
Would you mind

Gonna look into your eyes  
Till I'm hypnotized  
Make love to you, baby  
Till I'm satisfied
