Earth, Wind And Fire, Moonwalk

Challenges to the sky
Man made wings to fly
Genius masterminds
Conquered changing times
And though he'd done everything
When he walked on the moon, they sang

Here I am, down on earth And baby for all it's worth Meaning the world to me, lovin' you faithfully We got a better song to sing Let's make the love bells ring

Wanna take you on a moonwalk baby Wanna take you on a magic carpet ride Forever my love, you'll be mine

We can have a little moon talk baby About our future plans together In this life ole fashion love will make it right

Computers on the rise Our feelings are synthesized Makes it hard to feel The touch of your love that's real

We never take time to love We think one love is not enough Million stars in the sky But one star that shines in my eyes, it's you

Wanna take you on a moonwalk baby Wanna take you on a magic carpet ride Forever my love, you'll be mine

We can have a little moon talk baby About our future plans together In this life ole fashion love will make it right

We got a better song to sing Let's make the love bells ring Million stars in the sky But one star that shines in my eyes

It's you, baby it's you Let's blast off up the moon.
