

# Earth Wind And Fire, Remember The Children

Maurice White, Verdine White & Roland Bautista

Remember the children  
Children  
Remember the children  
Remember the children

See the message in their faces  
Tell us what the future brings  
Findin' far-off places  
Bringin' our souls and bathin' them clean  
Save, save, save the children  
Keep their minds so safe and free  
Save, yeah yeah yeah
