

Earth, Wind And Fire, Sunday Morning

(Maurice White/Sheldon Reynolds/Allee Willis)

Oh, yeah, oh, yeah

Ooh, Sunday morning
(Ba ba by ba ba by ya)
You're gonna find my love shinin' on you
(You're gonna find my love)

Ooh, I'm waiting
I'm forever anticipating
Your face on my pillow
You're the sunshine pourin' through my window

And like the grapes on the vine
Love is sweeter with time
And you were made to love

Ooh (Sunday morning, I'll be waiting)
Sunday morning (To your love I'm dedicated)
You're gonna find my love shinin' on you
(You're gonna find my love)

Ooh (Sunday morning, I'll be waiting)
Sunday morning (To your love I'm dedicated)
It's like the best of everything fallin' on you
(You're gonna find my love)

Your eyes shining on me
You're the brightest star in the sky I can see
Your kiss, ah, I'm so thankful
And the love that you give is so delightful, yeah, yeah

And the birds in the trees
Singing love songs to me
Saying you was made to love

Ooh (Sunday morning, I'll be waiting)
Sunday morning (To your love I'm dedicated)
You're gonna find my love shinin' on you
(You're gonna find my love)

Ooh (Sunday morning, I'll be waiting)
Sunday morning (To your love I'm dedicated)
It's like the best of everything fallin' on you
(You're gonna find my love)

When I see your face
Like a mornin' sun
You spark me to shine
I love you, baby

Ooh (Yeah...)
Sunday morning
You're gonna find my love shinin' on you

Ooh (Sunday morning, I'll be waiting)
Sunday morning (To your love I'm dedicated)
It's like the best of everything fallin' on you
(You're gonna find my love)

Ooh (Sunday morning, I'll be waiting)
Sunday morning (To your love I'm dedicated)
When we shared sweet love like no other

(You're gonna find my love)

Ooh (Sunday morning, I'll be waiting)
Sunday morning (To your love I'm dedicated)
Like a summer day with your lover
(You're gonna find my love)

Ooh (Sunday morning, I'll be waiting)
Sunday morning (To your love I'm dedicated)
When we shared sweet love like no other
(You're gonna find my love)

Ooh (Sunday morning, I'll be waiting)
Sunday morning (To your love I'm dedicated)
Like a summer day with your lover
(You're gonna find my love)

Ooh (Sunday morning, I'll be waiting)
Sunday morning (To your love I'm dedicated)
When we shared sweet love like no other
(You're gonna find my love)
