

Earth, Wind And Fire, Sunshine

Maurice White, Al McKay & Philip Bailey

Heavenly sunshine, only you can stop the rain
Pouring in my heart, causing tears of pain.
All of your feelin', seems to make me glow
Like beautiful sunshine, that makes the flowers grow.

Chorus:

You're my sunshine, loving you is my dream
When I'm with you, I hear bluebells ring
And the beauty, only you can bring
Keep me smiling, my heart's filing away
Memories of a life with you
Take me with you, I'm the one who's
Gonna lift you, to your Shining Star.

You are my light, when dark days do appear
Bringing me sunshine
My heart has no more fear,
Birds in the air, they even sing your name
Spreading love's rainbow--an everlasting flame.
